Dear Fellow Parishioners,

Please join us on **Sunday, November 15, 2026** immediately following the Divine Liturgy (approximately 12:30 PM) for our fall Parish General Assembly. The meeting will take place in the Parish Life Center Banquet Hall. A light lenten lunch will be provided. During this assembly, we will review and vote on various important business issues facing our congregation, including the proposed 2027 Budget. We will also hear important updates for a few of our ministries. This will be a very important meeting for our parish. Please note some changes will be implemented at the assembly. Knowing so many do not attend because of the perceived longevity of the meeting, we have added duration times for each topic. We will also implement duration times for Q&A. We will allow a parishioner to ask one question and one follow up question, if needed. The time allowed will be one minute for the question and one minute for the follow up. We will try to keep continuous conversation to a minimum. A time keeper will be assigned to keep us on track and the meeting flowing.

6. Stewardship – Tina Johansen (see slide presentation).

Highlights:
Tina reminded the parish of this year's Archdiocese stewardship theme: "Rise Up and Build."

Tina reported that according to the stewardship pledge tracker, the parish had reached 81% of its annual goal.

Tina reviewed the following budget statistics:

General Operating Fund: Budget: $1,033,000. YTD pledged: $831,672. YTD pledging stewards: 382

Tina emphasized the importance of closing the budgetary gap by reaching out to households not yet pledged and collecting on current pledges.

General Operating Fund Budget and Actuals (see slides).

Restricted Fund Budget and Actuals (see slides).

The original motion to approve the proposed 2026 budget was then approved.

8. Endowment Fund

Mike Jacobs and Georgia O'Brien presented the Endowment Fund report (see slide presentation).

Highlights:

Explained that planned giving is a one-time offering from the fruits of our wealth. It is a dedicated fund intended for long-term financial security of the parish and to fund extraordinary projects.

Reviewed the steps for establishing the Endowment Fund (see slides):

1. Recruit leadership
2. Prepare endowment documents
3. Approve an official board
4. Promote and acquire seed money

Explained that distributions are made through grant requests.
The Parish Council serves as steward of the funds and oversees their distribution.

Discussion:
Charles Miltiades questioned the 4% distribution amount. Mike Jacobs clarified that for a nonprofit, there is up to a 5% distribution cap. There is risk in the first 5 years.
Larry Gess posed several questions to the Endowment Board. He questioned whether the Parish Council should have authority over the distribution of Endowment funds. Georgia and Mike clarified that all documents were approved by the Metropolis of Atlanta and followed the template provided by the Archdiocese.
David Linebaugh clarified that only the growth of the money goes to fund a specific mission. The endowment advisory board reviews the request and approves.

Andy Green made a motion to approve the documents establishing the Endowment Fund. Alex Paulson seconded the motion. The motion passed.

A second motion was made by Andy Green to approve the Endowment Board (see slide). Cedric Dunkerly seconded the motion. The motion passed unanimously.
